

SUPAGAS
YES WE CAN!

STOP!!!

DID YOU KNOW THAT LAWS HAVE CHANGED WHICH MIGHT AFFECT WHICH LPG CYLINDER YOU CAN CONNECT TO YOUR APPLIANCE?

To make sure you choose the right cylinder, compare the pictures below to find which connection matches your appliance, then match it with the correct colour coded sticker on the cylinders in the cage.

TYPE 21 POL VALVE LABEL

If your appliance connection looks like this.

THEN CHOOSE A CYLINDER WITH A WHITE LABEL LIKE THIS

NEW LCC27 VALVE LABEL

If your appliance connection looks like this.

THEN CHOOSE A CYLINDER WITH A WHITE LABEL LIKE THIS

For more information on these changes ask in store or visit www.supagas.com.au
